Part III REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach, disclose, or suggest the claimed limitations of (in combination with all other limitations in the claim), an apparatus for processing a captured image frame comprising a plurality of user-selection tools for enabling a user to select a region of the captured image frame, the user-selection tools including at least one picture region selection tool and at least one text region selection tool; a plurality of user-copy tools for copying the selected region of the captured image frame, the user-copy tools including at least one picture copy tool and at least one text copy tool; and a mode control for controlling operation of the apparatus in at least one of a plurality of user selected global operating modes the user selected global operating modes including at least one picture mode and at least one text mode; wherein the mode control automatically selects which of said user-selection tools and which of said user-copy tools are used for processing the captured image frame in accordance with the user selected global operating modes as claimed in claim 1. Similar features are claimed in claims 8 and 20. Therefore, claims 8 and 20 are allowable over the prior art of record for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2626

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark E. Wallerson whose telephone number is (703) 305-8581. The examiner can normally be reached on Monday-Friday - 6:30-4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kimberly Williams can be reached on (703) 305-4863. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
